

# Are you questioning what your future holds?

cherwell  
GYMNASTICS  
club

- Do you want an active and varied job rather than office work?
- Do you struggle with early starts and prefer working later in the day?
- Do you enjoy helping others learn?

**If so then gymnastics coaching could be a great career for you.**

## What's in it for you?

- Mentoring and support from highly trained coaches
- A pathway to formal coaching qualifications - financed through the Cherwell Gymnastics Club
- A future full-time career where you can earn £18-30k
- Possibility of part-time self-employed work earning £10-20 an hour

## What do you need to succeed in coaching?

(Some you'll have now. All you will learn and develop)

- Great communication skills
- An interest in sport, dance, movement
- Patience and perseverance
- Ability to self-reflect and learn
- Good organisational skills
- Reliability
- Ability to inspire others

Cherwell Gymnastics Club is the only gym club in Oxford. We are searching for a full-time facility and need to recruit a coaching team to help lead the club forward. Many of our coaches are parents of gymnasts and started with no experience of gymnastics itself- all this can be learned on the job. We are looking to recruit a small team of trainee coaches, who will coach weekly at the club as volunteers (approx 4-8 hours). The club will help finance the formal qualifications needed for trainees to start earning as a coach. We will then offer paid work and if needed help find other opportunities for our trainees.
